- small pieces of lace or ribbon

These mermaid tails are meant to be sewn for the 5.5 inch Daffodilly DandelionDollhouse dolls, whose pattern is available in my online shop at <http://delilahiris.com>

These tails can be sewn together plain made simply out of colored felt! But for a extra fun and fancy project try decoration these tails with embroidery or applique! I've included ideas for how I created the tails pictured here.

To create the mermaid tails cut two tail pieces from colored felt, using the pattern piece on the next page.

After decorating the tails, pair the pieces together and sew at the edges with a short tight blanket stitch around all edges except the top where the legs will slip in to wear the tails.

To make the bikini top cut 3 inches of small ribbon or lace. I like to use a thick cotton crochet lace. Cut 2 shell pieces from felt. Sew the felt onto the front of the lace side by side. Add 3 stitches to create a indent at the top of the felt to give more of a shell appearance.

Fold the outer edges of the lace inward (about 1/2"). Sew small snaps onto the folded ends for holding the bikini top in place. Make sure to check the fit before sewing the last snap on to gain a better idea of how long the lace should be.
